INTRODUCTIONS CHARACTER

Arisugawa Fuu

A 26-year old OL who works in a design production company. Due to concentrating all of her energy into shopping, her romance faculties have deteriorated. Even though her boss, Okuzono, shows an interest in her, she doesn't realize it at all.

Okuzono Shinji

Has the nickname Iceman and is Fuu's supervisor. Graduated from Tokyo U and is capable in his work but is rumored to be cool-headed, merciless, and easily breaking up with women. Despite making advances on Fuu, she ignores them every time, and he is currently in low spirits.

Haneda Mizuho

A novice shoujo mangaka. Currently dates an older aspiring musician and freeter but worries about his lack of financial stability. While wishing to meet a man with a steady job, her editor forces an unexpected kiss on her.

Enjouji Sayuri

A young woman raised on an estate in Aoyama. Employed at a gallery in Ginza. One rule that her family lives by is that their marriage partners must be a Tokyo U graduate. Since she believes that love and marriage are two separate things, she brings men home daily in search of a sex-meister despite already being engaged to someone through an omiai*.

*T/N: A Japanese traditional custom in which unmatched individuals are introduced to each other to consider the possibility of marriage.

STORY

Fuu squandered all her savings bargain-shopping at Chanel. One night, due to missing the last train home, she stays over at her supervisor Okuzono's home. After he saves her from a stalker, she starts thinking about him more often. In return for his help, she gives him her style of "serious chocolates", and he falls for it hook, line, and sinker?!

Even though he asks her to be his girlfriend and gives her a Chanel Cambon tote as a present, Fuu, whose understanding of love is still in its beta form, rejects his feelings.

She moves into Enjouji's house with Mizuho, and the three of them become roommates. However, after buying too many things, she runs out of money. In order to postpone the rent due date, she has to introduce someone to her landlord, Enjouji. That's when she ends up introducing Okuzono. Did she just let go of a really big fish?!

Sakuragawa Rio

Heart physician. While hiding her feelings for Fuu, she is progressing on a romantic relationship where she won't be bound by the other person. A male registered nurse named Izumi confesses his feelings for her, but she doesn't acknowledge him. However, his direct gaze leaves her a bit weak.

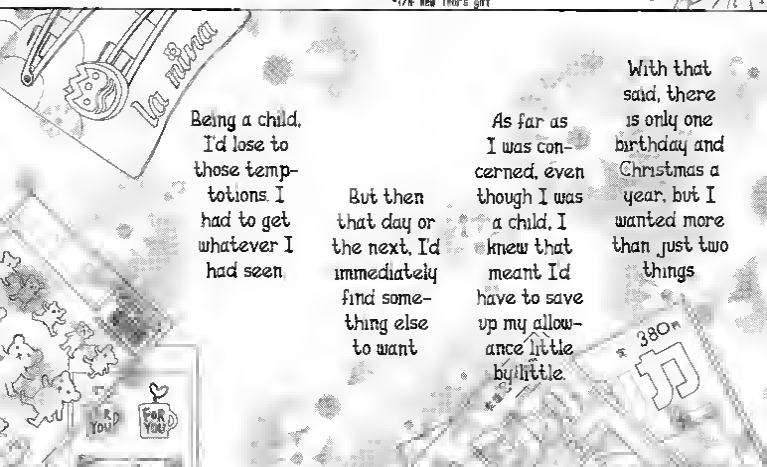
But they were all
basically things that a child couldn't afford with her allowance
I would save up my otoshidama* and monthly allowance for them
But if that still wasn't enough, I had no choice but to demand it for birthdays or Christmas

*T/N: New Year's gift



La mia
Being a child, I'd lose to those temptations. I had to get whatever I had seen
But then that day or the next, I'd immediately find something else to want
As far as I was concerned, even though I was a child, I knew that meant I'd have to save up my allowance little by little.
With that said, there is only one birthday and Christmas a year, but I wanted more than just two things

"I want to enjoy different sex and drown in exoticism"
Wait a minute! In other words, that's what it means, right? Because "that" is Enjouji's objective after all
Ummmm, ummmm, so if I entered the house right now, Okuzono-san and Enjouji must surely be doing it?!
But it's still only 7 o' clock?! Ahh, the time wouldn't matter
Why didn't I remember that until now?
Eww, gross! DON'T EVEN GO THERE! I don't want to hear any of those sounds!

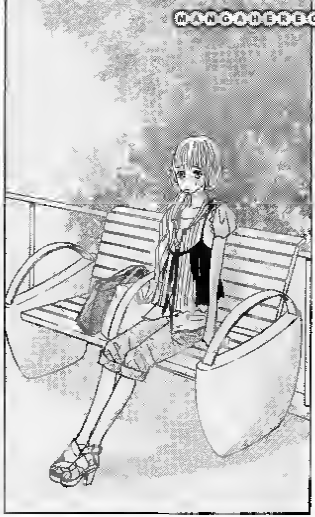
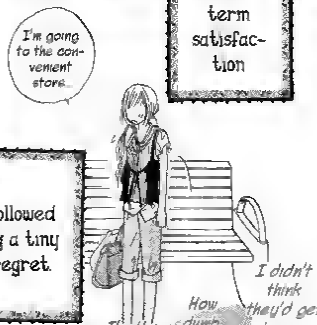
Will Okuzono-san always be coming over to our house from now on?
So the girl I saw in Hills wasn't his girlfriend after all.
I shouldn't have introduced them to each other...



To be honest, I didn't think they'd end up dating...

Short-term satisfaction

followed by a tiny regret.



I'm going to the convenient store...
How dumb...
I didn't think they'd get close so easily
I'm the one who introduced them,
so what am I saying?

Yep, uh-huh It'll be in front of the station on the weekend after next week Wanna go?
I'd been wanting to get a yukata this year
WOW, I WAS THINKING THE SAME THING
OKAY, THEN LET'S GO AND BUY ONE TOGETHER!
Lantern Festival dance?
YAY! I CAN'T WAIT!
But I'll be okay
That's right.
I'll be okay as long as I can still shop

I might have to go over my budget.

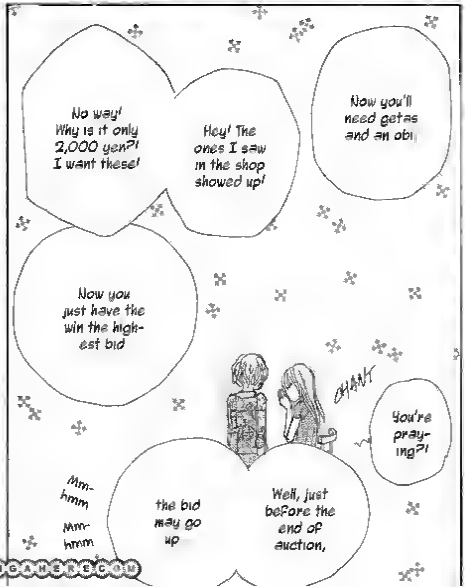
Seasonal items like these are usually second-hand but you can find a bargain on the internet.
Gyahh! It's 500 yen with the get-a set!
Mi... Misuho, what is this, what is this? 1,000 yen?! And 2,000 yen over there?!
No way. The BID STARTS AT 1 YEN? YOU'RE KIDDING!

Or maybe a bird? Oh, and the color should be navy blue.
Um... how about rabbits?
What design do you want?
I'm getting dizzy from seeing so many things, Misuho.



No way! Why is it only 2,000 yen?! I want these!
Hey! The ones I saw in the shop showed up!
Now you'll need geta and an obi.
Now you just have the win the highest bid
You're praying?!
Mm-hmm
Mm-hmm
the bid may go up
Well, just before the end of auction,

Right now, there's gotta be a ton of women trying to get him to tie the knot
Especially those sent in from the temp agency.
so it's guaran-teed that he'll be going back to corporate eventually. (As future director)
He only transferred to our company after all,
Just think, he's a candidate for management right?
Just think, the guy came from Tokyo U, and there's really no need
For our department to go nation-wide.
T-TOKYO U!?
Really?!
Of course. Boy, you're really slow. Besides, isn't he rubbing it in? I only graduated from a tech school, you know.

No. I mean, he's never made okonomiyaki before, and the one he cooked up tasted so awful we wanted to throw up
You see? We all had to suffer the consequence of that
He really did go and buy wheat flour, OtaPuku sauce and 10 kilos of cabbage.
Then the next morning, he told them he was going to open up an okonomi-yaki shop and quit his job
What in the world is this?
He ate it too, and it tasted so bad, he gave up right away
So did he end up opening the shop?
